

EMBER'S FireSmart COLOURING BOOK

ALBERTA

FireSmartTM

A book full of FireSmart safety tips

Meet Ember, the FireSmart fox.

Ember teaches people how to keep their homes and neighbourhoods safe from wildfires. In this book, Ember visits people's homes to show them her favourite FireSmart tips. The tips in this colouring book show you how to remove fuel from your property as well as other materials that easily burn. This helps stop wildfire from finding a path to your front door. You can use the tips with your family to help keep your home safe!

Thank you to our partners at FireSmart BC for creating and sharing this resource for use across Canada.

**FireSmart Tip: Move firewood
10 metres from your home.**

**FireSmart Tip: Keep grass
shorter than 10 centimetres.**

FireSmart Tip:
Keep the gutters
on the edge of
the roof clean.

**FireSmart Tip: Remove branches
that hang over the roof.**

**FireSmart Tip: Plant
fire-resistant vegetation.**

FireSmart Tip: Keep your yard clean! Make sure it's free of branches, leaves and other things that can burn.

FireSmart Tip: Use fire resistant building materials.

**FireSmart Tip: Clean
underneath decks.**

FireSmart Tip: Prune tree branches within 2 metres of the ground.

FireSmart Tip: Use the checklist at the end of this book to see how safe your home is from wildfire.

How FireSmart Is Your Home?

Use this quick assessment to see how at risk your home would be during a wildfire. **Circle the image/description that best describes your home and add the numbers to find your Hazard Level.**

1.	What is your roof made of?	Asphalt Shingles 1 	Tile Shingles 0 	Wood Shake 2 	Metal Roof 0 
2.	What is the outside of your house made from?	Vinyl Siding 2 	Wood Siding 2 	Stucco/Cement Board 0 	Metal Siding 0 
3.	What is your deck made from? Does it have a skirt?	Fire Resistant Material 0 	Wood Closed In 0 	Wood Open Bottom 1 	
4.	Are your eaves open or closed? *eaves are the underside of your roof overhang		Open Eaves 2		Closed Eaves 0
5.	Is your roof clean? Are the eavestroughs cleared?		Eavestrough filled with leaves 2		Clean roof with no debris 0

6.	Do you have combustibles within 10m of your home?	Yes 2 	No 0	*combustibles are anything that will burn in a fire especially: firewood, lumber and gas powered equipment
7.	What kind of ground cover do you have within 10m of your home?	Cut green grass up to house 0 	Shrubs or wild grass up to the house 1 	Logs and branches on the ground 2 
8.	What kind of trees are near your house (<10m)	Coniferous (Needle leaf) 2 	Coniferous and Deciduous 2 	Deciduous (Broadleaf) 0 
9.	What kind of trees are 10m–30m from your home?	Conifer 2	Mixed Wood 1	Deciduous 0

OTHER			YES	NO
10.	Ladder Fuels	Are the trees 10m–30m from your home pruned to 2m above the ground?	0	1
11.	Fire Fighting Equipment	Do you have a sprinkler, ladder, shovel, water source available?	0	1
